ABOUT US

GET TO KNOW US

Based in Saudi Arabia, Experts Corporation for Catering Services is a restaurant that specializes in catering and meals for enterprises.

Experts Corporation for Catering Services is a subsidiary of Advance Corporation for General Contracting Est. It has the most qualified employees, best practices, goods, materials, and cooking equipment on the latest model. Here, we provide exceptional services and high-quality health foods that exceed our customers; expectations and meet developing goals in the hospitality and services sector. Since 2013, we have combined the experience of our long-standing past and best performance practices for quality assurance and oversight. Experts Corporation for Catering Services delivers the highest quality of services to create an amazing customer experience.

LOCAL SOURCES AND PRODUCTS

We think the local ingredients are more environmentally friendly, economically sustainable, better for you, and they taste great! We maintain many relationships with local producers. Attention to local sources is very important to us, not only because everything that is spent with a farmer and a local producer goes directly to them, but it enhances our local economy in Saudi Arabia

AFFORDABLE

We offer our services on demand, which allows you to pick items and choose what you want us to take care of and ignore what's not important to you. Tell us your budget, and we'll guide you through the operation. Let's let you know what we can do for that amount.

OUR SERVICES

Perfect services for any size, pattern, and budget.

From serving breakfast, lunch, dinner, to midnight snacks at locations, catering to start-ups and big companies is our strength. We offer added value to your business through custom meal options that are delivered on time and with distinction. We understand that the needs of each work are unique. We devote ourselves to understanding and ensuring that your needs are met.

WHY EXPERTS CORPORATION FOR CATERING SERVICES?

DECADES OF EXPERIENCE.

Brick by brick, we expanded to the largest catering services that supply more than 20000 meals a day. Experts Corporation for Catering Services is always close to our clients, understanding their food requirements and preferences, and ensuring that staff is trained to keep up with developments in this area.

CLIENT-ORIENTED SERVICE.

We put customer satisfaction at the heart of our work. Our goal is always to provide world-class food on demand and delivered by a high quality of service. Fully committed company. Legal compliance and human resources are the backbones of all our policies and processes.
